Dear Sivakumar Dhanasekar

Warm greetings from the Organizing Committee of the IEEE Innovations in Machine, Engineering and Digital (IMED) Conference 2026, Jesselton University College, Malaysia

On behalf of Jesselton University College, Malaysia, in association with the World Research Union (WRUnion), Malaysia, it is our great honor and privilege to invite you to serve as a Member of the International Advisory Committee for the IEEE IMED Conference 2026, scheduled to be held on March 6–7, 2026, in Kota Kinabalu, Malaysia

The IEEE IMED Conference 2026 (Conference ID: #68921) aims to provide a premier international platform for academicians, researchers, industry experts, and practitioners to exchange knowledge, present innovative research, and discuss emerging trends and future directions in Machine Engineering, Mechanical and Electrical Engineering, Digital Technologies, Artificial Intelligence, Smart Systems, Automation, Data Science, and interdisciplinary engineering domains

Considering your distinguished academic profile, international research experience, and significant contributions to your field of expertise, we firmly believe that your association with the **International Advisory Committee** would greatly enhance the academic quality, global outreach, and technical depth of the conference.

Role and Responsibilities of the International Advisory Committee Member

As an esteemed member of the International Advisory Committee, your role would include:

- Providing strategic guidance on conference themes, scope, and emerging research areas
- Advising on maintaining high academic, ethical, and technical standards
- Supporting the technical program through recommendations of keynote/invited speakers and expert reviewers (as appropriate)
- Assisting in strengthening international collaboration, visibility, and participation
- Offering valuable suggestions to enhance the quality and impact of the conference proceedings and outcomes

Please note that the advisory role is academic and consultative in nature and does not involve routine organizational or administrative responsibilities.

The Organizing Committee would be deeply honored by your acceptance of this invitation. Your name, designation, and affiliation will be prominently acknowledged on the conference website. For further details about the conference, kindly visit the official website:

<https://imedconference.com/>

Should you require any additional information regarding the advisory role or conference logistics, please feel free to contact us. We sincerely hope you will accept our invitation and support the IEEE IMED Conference 2026 with your esteemed guidance and global perspective.

With warm regards and highest respect,
On behalf of the Organizing Committee
IEEE Innovations in Machine, Engineering and Digital (IMED) Conference 2026
